

CCW Class Descriptions

I - Missouri CCW Safety Training Class - \$125.00

This class will cover all of the requirements that the State of Missouri has for you to obtain your Missouri CCW Permit plus much more useful information.

II - Basic Handgun Familiarization (No Range) - \$75.00

This class is designed to familiarize the student with handguns in general but does not include any shooting time at the range.

III - Basic Handgun Familiarization (Range) - \$125.00

This is a Basic Handgun Familiarization Class but it includes shooting defensive handguns, both semi-auto pistols and revolvers, at the range.

IV - Basic Tactical Handgun - \$150

This class is designed to introduce the student to basic self-defense tactics. It includes an evening class room session as well as a full day on the range. It will also introduce students to shooting & moving and moving & shooting as well as other shooting positions and barricades. Students will be required to have specific equipment.

V - Intermediate Tactical Handgun - \$150

This class is designed for those who have already had some training in self-defense tactics with a handgun and wish to further, practice or sharpen more advanced shooting skills such as shooting on the move, position shooting and shooting around barricades. This class will be a full day on the range and will require specific equipment.
